HISTORY

For nearly a century, Parducci has stood as one of America's most beloved wineries. Founded in 1932 during the Great Depression—when alcohol was still illegal, gas cost 18 cents a gallon, and a quarter of Americans were out of work—Parducci became Mendocino's first and oldest winery, originally built without electricity. It pioneered practices that shaped the industry, from planting California's first Petite Sirah to being among the first to label wines by grape variety. Winemaker John Parducci believed great wine should be delicious, honest, and affordable. Today, Parducci continues to thrive in Mendocino, named 2024 Wine Region of the Year by Wine Enthusiast Magazine.

WINEMAKER'S NOTE

"Rich, dark ruby in color with vivid aromas of blackberry, plum and Bing cherry complemented by warm notes of toasted marshmallow and cedar. On the palate, boysenberry and plum marry warm brown spice flavors of French Oak. This Cabernet Sauvignon is a food friendly, medium-bodied Cabernet Sauvignon with soft tannins and abundant fruit, that finishes with a nice touch of spice."Wines from this vintage have beautiful intensity of aromas, flavors, and color with vibrant acidity, elegant fruit, and remarkable balance.
